You must have at least some stage presence and can relate to the audiences and not shy... Be very attractive on stage and help with background singing too... And with a nice and friendly personality... (Professional or non Professional is alright) As long as you can sing real good with a very nice strong voice and can learn fast we can teach you the songs (Good Karaoke Singers Always Welcome) (You must be free on the weekends) that's when we play (part time only)

So if this is for you & you been seeking to get in a band for a long time and you love to sing & want to show your talent and you want to join band & don't be afraid to try, or if you no any one else (Please Be Serious When applying) Please this is strictly only singing & nothing else ((PERIOD)) This is a professional good band.. Give you more information also your welcome to my gigs to try out live on stage... also I need your song list that you know too..

just email me back also, or if you want to lv. your number and I will call you back so we can talk about the band...

If your in a band before or not with a picture of ur band or your own utube video or if you don't have one that's ok.....(Don't wait go for it,) and don't be shy if you love to sing were waiting for you email us back soon A.S.A.P. so you can get started with the band right now were in need of vocalist right now...This is a great band to join don't wait reply now so you can start singing with us... Thanks J.J
