QR Code Link to This Post We have 2 bored 80 pound labs that need entertainment during the day. Looking for dog walking/ball throwing/entertaining human to keep them busy generally 2-5 days/week in the early afternoon. Dogs are very friendly and either like, or ignore other dogs. We have 2 Persian cats that the dogs generally ignore. The human will also be expected to give treats to the dogs & cats, pet both species and be a frequent lap for the cats. Chores such as dog/yard clean up and cat litter changing will also be expected, an increased rate will be paid if these items need to be completed. If willing to do other household chores during visit please specify. Please respond with availability and rate. Weekends will be infrequent (a few times/year). Please state if you are willing to do over-night visits if needed. It isn't a deal breaker, just nice to.
