QR Code Link to This Post RadioYo is looking for beta testers who either want to host their own free online radio show or just want to troubleshoot our platform.

Host your own free online radio show with our platform from the comfort of your living room and effortlessly distribute, publish and monetize your content. Just need an internet connection, a web browser and a topic you're passionate about to start broadcasting your very own online radio show.

RadioYo will not use political correctness to silence your voice. There is absolutely nothing holding you back from hosting a radio show you're passionate about whether it's politics, government, sports, entertainment and lifestyle, arts and culture, education, business, travel or national affairs.

RadioYo will not use political correctness to silence your voice. The time for sitting idly by is over and the time for taking charge is here. You have a voice, use it. If you don't show your sympathies, who will? If you do not articulate your values and beliefs, who will? Host your own free online radio show and have your voice heard.

Sound interesting? Ping for details and we'll set you.
