

Various Commercial Contractors Needed Now

hide this posting

Indiana Location https://www.genclassifieds.com/x-753580-z

QR Code Link to This Post We currently need labor for short-term commercial construction, remodeling and maintenance projects in central Indiana. We are seeking nearly all skilled trades because we have several local business locations.

Please reply with your email address, as this is the best way for our office staff to maintain accurate records, and describe for us (1) what trades you perform and (2) your qualifications - experience, insurance, certifications and licenses, etc.

Thank!
