QR Code Link to This Post There is a man that has been arrested for DUI and a suspended license multiple times. He is using a mini van now to escape being caught. A woman he knows bought the vehicle so he can sell at all the south suburban flea markets. Because it's in her name, not his, he's under the radar. The tag is Z 676938 and registered in Crestwood. Why should we put up with this known violator? Pull him over, run his license, put him.
