QR Code Link to This Post In 2016, the residency requirements were changed. Previously, you had to be related to your landlord to rent here. That all changed last spring. With that said, there have been a lot of Section 8 inquiries. You already have criminals living there do to a family relationship. Anyone can move in now. There are people living on Waterbury Lane with no visible means of support. 4 people living in a condo, no one is married and no one is paying any taxes. Is that fair to the rest of us? Won't open a bank account so they don't get caught. Scammers. The GF and her son applied for Link cards. The man brags he makes over \$1,000 a week without a paycheck but is first in line for free food handouts at area churches and Operation Blessing taking away food from those who really need it. Paid an ex wife \$1,000 a month in child support for a 17 year old kid that has been working for years. How do you get divorced in Illinois and pay that much without a paycheck job? Ken Woods and Lisa Barker. White trash at it's!
