QR Code Link to This Post This has long been a cash strapped community. No red light cameras here because the community is poor. They have a flea market 3 days a week. Here's how they can make additional revenue. A good portion of the people that sell there are not legally insured as a vehicle driver or owner or even have a valid driver's license for that matter. Drunks, suspended licenses, etc. Many of them are white like Kenny Woods, for example. Hell, even Sabrina's drivers have been ticketed and her vehicles towed for unlicensed drivers and selling cold beer and liquor out of her trucks. Let everyone pay their seller fees. After the vendor has been set up for an hour or so, spot check for valid licenses along with proof of insurance on the vehicle and driver. Ticket and tow. We don't need illegal drivers on the road so why do we need them at the market? The police on are sight. Run this place like a real business. Stop being cozy with your favorites. You know, the ones that sell along the street without paying to come in. About 35% of the vendors are black. The remaining 65% are a mix of Asian, Arab, Caucasian and Latino. Ticket the vehicles that block fire hydrants and neighboring driveways. Yes, the mayor was reelected but more than 52 % of the registered voters did not vote for.
