

# Paradigm Audiophile Center Channel Speaker for Home Theater (165 USD)

Location **Indiana**  
<https://www.genclassifieds.com/x-753703-z>

QR Code Link to This Post This is the Paradigm CC-170 v.2

Brilliant sounding speaker in perfect condition.

Upgrading your system's center channel speaker is the quickest and least expensive way to upgrade your sound as 90% of movie sound is dialog which is assigned to the center channel speaker.

This speaker adds tremendous depth to dialog and has a rich full sound.

No trades.
