We currently have a 1 bedroom/ 1 bath becoming available in the next couple of months located in one of Baltimore's most desirable locations, 521 St. Paul, located in the historic Mount Vernon neighborhood. All of our homes are FULLY RENOVATED! So you will find stainless steel appliances, stacked washer & dryer in each apartment, granite counter tops, as well as hardwood floors.

While our apartments are breathtaking it's our amenities that will make you want to call 521 St. Paul home. We have a rooftop deck with outdoor seating as well as a spectacular view of Downtown Baltimore. A state of the art fitness center with all the bells and whistles (including cable television on flat-screen TVs, kettle-bells, TRX, and yoga area)

521 St. Paul is conveniently located a quick walk from the University of Baltimore and MICA, Peabody Institute, and Mercy Hospital, Baltimore's Penn Station, and major roadways. So very convenient location for students, doctors, professionals, or commuters.

For more information regarding this one of a kind property or just general assistance in finding a home in the Mount Vernon area please contact Steven. These few homes will not last long so call ASAP!
