Low Cost Paralegal Services is based on the belief that our client's needs are of the utmost importance. Thus, our entire team is dedicated to our clients 100% to meet and exceed their needs. As a result of our dedication and proven success, a high percentage of our business is from repeat customers and referrals. If a issue ever arises, please feel free to contact us for immediate resolution.

We welcome the opportunity to earn your trust and deliver you quality service. Our document preparation speaks for itself.

All pricing includes runner service to and from the Courthouse or other agency. We prepare, and upon approval and signature, file and return the documents to you, in a timely fashion. Majority of the documents are prepared, reviewed, signed and E-Filed, while you are in the office; however, some cases require research and additional time for quality preparation, and the turn around time ranges from 24-48 hours. Our paralegal is fully insured, licensed and bonded to conduct business, and strives to provide only quality documents.

No surprise costs. The price we quote is exactly what you will pay for our service. Our fees are reasonable, meaning no hidden fees. There are a few extra charges for optional services such as mail and filing fees. Filing fees are made payable directly to the Court at the time of filing. Keep in mind, the Court will not file documents without the filing fee, if applicable. If you are below the poverty guidelines you may apply for a filing fee waiver at which time the decision to proceed without having to pay the filing fee will be made by the judge.

This office is a document preparation company as outlined in NR 240A at [www.leg.state.nv.us](http://www.leg.state.nv.us).
