Most of them are brand new and only taken out to take pictures of, I have long horn, leopard print, creams, blacks, grays, brindle, zebra, angus, longhorns and several others. If interested I am willing to deal and also shipping is available for free. They would make a great accent to any home and or boutique, any office or living room, or used to refinish furniture I also have some cowhide furniture, western furniture and truquoise furniture left, all is brand new in boxes, book casss, desk, inn tables, chairs, circle rugs, table runners, ottomans, love seats, bar stools, chairs and a few other items.
