QR Code Link to This Post This horse is as nicely built as they come! Not many trained horses with trail experience with this great build comes along everyday. Outfitters giving trail rides to newbies....take special note of this horse.

Lovely Ruby needs a job! Registered Quarter Horse mare, 14.1H, trained, 20yrs old. She's about 900 lbs. Email for a copy of her paper listing her bloodlines... At our age, we have other priorities, so she needs a new home. Always been an adult horse, intermediate riders. Not a kids horse due to lack of use. Loves to trot and has a pretty lope. Never been lame. She was our "go to" horse two years ago before out of state job. Get on and go...no fuss. She was not barn sour and trailered nicely with another, bigger mare. Needs a tune-up of her muscle tone. She knows her stuff...just will try to fool an inexperienced owner so no need to "re-train" if you are a horseman. Terrific with other horses and loves to play in pasture...would make a terrific companion horse but would like to see her lightly rode too as she is in great shape. Funny personality once she gets to know you. If you know what you are doing, you will get alot out of this horse. She gains weight easily....doesn't need special grain or feed.

Great deal as she must go. We really like this horse...so much so...I turned down two offers on her last year. Had for sale, then couldn't part with her. But times have changed and she just can't stay.

Call or email. Prefer emails. Will be working outside, so leave message and we will get back to you. If you don't leave a message, you'll probably miss out. She is being sold asap... Great home a must. Bring trailer and cash. Plenty of room to turn around any trailer...and easy to find...just off hwy 2. If you have a AQHA membership, we'll get her registration transfer done for free.

TRADES: looking for an older pick-up, so trade or part trade/cash might work. Must be 4WD. If you aren't interested in horse, send a photo and information on truck to email address with your phone number. MUST have clear title.
