QR Code Link to This Post Accepting bids for small residential property located intown directly off route 302. This is a small, easy lot with one vehicle and doesn't take much time at all to clear. There's space for storage onsite so removal and sanding is not necessary.

Rate I am paying is \$65/\$70 per storm event so looking to find someone who can beat that or match it. You will be paid after each storm and a receipt for services rendered will be required. Reliable individuals/entities only,.
