QR Code Link to This Post Update; Quigley is still missing! He got out at 2ish in the morning the 29th, Wednesday. He is a fixed male blue heeler, spot over one eye, docked tail, short and stalky, very sweet but very scared of new things and people. He is not chipped, nor was he wearing his collar since he escaped from inside my home. I'm located at Ustick and wildwood, and I've gotten 3 instances of people saying they had seen him near McMillan and maple grove at the Hyatt lakes reserve. There are plenty of places for him to hide. I have him posted everywhere possible, have been driving daily, & checking the shelter daily. This dog is my baby and I need him home! PLEASE let me know if you have seen him, know someone who has him, or any info at all. Thank you so much!

WE ARE OFFERING A REWARD FOR WHOEVER BRINGS MY DOG HOME! I am desperate to have him home!  
Multiple cases where he has been spotted near McMillan and maple grove & McMillan and five mile!  
PLEASE IF YOU HAVE HIM, OR SEE HIM LET ME KNOW!
