QR Code Link to This Post I know that it's not cheap paying for daycare. I had 4 kids in daycare before I decided to be a stay at home mom. I was working just to pay for daycare. I know that I'm not the only parent that feels they are working just to pay for daycare. I've decided that I can help others out by offering child care in my home. I'm a stay at home mom of 4 boys (9,5,3,1) and one lovable dog. My older 2 boys go to Shadow Hills Elementary. One is in 4th grade the other is in morning kindergarten. I have 20 years of child care experience. I've worked in pre-schools with all ages. I have my own stuff at my house to help teach your children things like ABC's, numbers and colors. I am open to watching any age and any hours. If you would like to we can set up a time to meet and talk about your needs for child.
