QR Code Link to This Post Cape San Blas (in the Florida Panhandle) is a pristine, old Florida beach where you can enjoy surf fishing, kayaking in the bay, horseback riding on the beach followed by a sunset (our beaches face west) and then a beach bonfire....doesn't get much better than that for making wonderful family memories!

Cape San Blas is truly one of the last unspoiled areas of Florida's Panhandle. Cape San Blas has relatively little development... no high-rise condos, no traffic (not even a traffic light), and no fighting for position on the beach as the beaches are quiet and uncrowded...even during peak season. Enjoy the white sand, unspoiled, dog-friendly beaches (and FAMILY FRIENDLY (even during spring break) and turquoise water of the Florida Panhandle!

Additionally,Cape San Blas FL is a beach consistently ranked best in the USA & the #1 pet-friendly beach in America -- no high rise condos, no commercialism, just miles of uncrowded, quiet, pristine, white sand beaches! All of my rentals are dog-friendly, but VERY clean!

Come discover The "Forgotten Coast"! No need to pack anything but your food and your swim suits...we provide everything! Our rentals come with everything from full kitchen and laundry rooms (complete with laundry detergent), gas grills, beach chairs and beach carts as well as all the little things that make it feel like a home-away-from-home and make your packing simple. You can see all of our amenities on our website!
