QR Code Link to This Post This listing is for a 32"W X 70"L X 4 1/2"T rollable mattress containing 20# of down feathers. These feathers were professionally cleaned before putting in a new heavy tick and a new military surplus mattress cover. This has never since been used with no damage or stains. This would be ideal to use with a sleeping bag for camping or sleep overs. VERY comfy! There are enough down feathers here to make up to 10 pillows if you need good down feathers to make pillows or other things.
