QR Code Link to This Post As a kitten Kelsey didn't have the luxury of a family and a warm home. She was trapped as a young, pregnant cat and brought into rescue. Being inside was foreign to Kelsey. She gave birth to her kittens in rescue. She was a great mom! Her kittens have all gotten homes, now it's her turn.

In her foster home she is learning to trust people. She will sit next to her foster mom and sometimes will sit on her lap for a few minutes. She prefers to sit next to her though. She will rub on your legs for attention. Kelsey has a quiet meow!

Kelsey dreams of a quiet home with people who will be patient with her until she knows it's OK to trust them. She would be just fine being the only cat or having one other cat friend who won't mind her being the boss.

Are you the family who will be patient with, and love Kelsey while she adjusts to a new home? Text or email her foster mom at: contact@stlpetrescue.com
