QR Code Link to This Post I am selling my timeshare week because I can not make it to Las Vegas this year. This resort week is for checking in on December 29th and checking out on January 5th. It is a one bedroom with a full kitchen that can sleep up to 4 people. It is at the Holiday Inn Club Vacations at Desert Club Resort. Expedia lists this same resort for an average of 199/night for the week and even more for the nights close to New Years Eve. Only \$699.00 for the whole week that includes New Years weekend. Feel free to call or text me at
for any questions you may have. Enjoy Las Vegas for New!!!
