I can cover your event on 1 - 3 cameras and 3 audio recorders, because video is about 'hearing' the action, not just seeing moving pictures.

I do all my own editing and you receive a final dvd and/or digital movie file online and on disk. You can receive a fast paced HIGHLIGHT video for online sharing and a FULL LENGTH DOCUMENTARY of your day on dvd with options for HD video files and bluray. I shoot both documentary and cinematic styles!

I try to make movies like real movies:)
