I am closing on a Beach Front Home on Ali'i Drive!! in Kona on The Big Island of Hawaii on January 27th.

I am looking for a General Contractor that would like to trade Remodeling Services in February 2018, in Exchange for Vacationing in the Newly Remodeled Beach House at a future date, or immediately after the remodel.

I want to bring the 900 Square Foot Condo down to basically the studs and re-build.

While you are remodeling the condo, and during your vacation, you will have exclusive use of my Lexus SUV, and stay at the Ocean Front Condo while you are working.

I will pay for your round trip airline ticket here to Hawaii to do the remodel, and I will pay for 2 Additional Round Trip Airline Tickets for you when you would like to come back here to vacation!

I will even give you access to the home during the Prime Christmas and New Years Holiday for your Vacation or the World Famous Kona Marathon! I am extremely flexible and we can work out whatever vacation dates work best for you!

I will pay for all of the materials, I just need your building expertise!

I am willing to entertain any ideas that you have to make this a win-win for both of us. I would like to have this completed during the month of February, for a March 1st move in for our family.

Please reply to this email if you are interested in a working vacation!

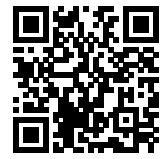

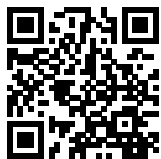

I am including pictures of the condo that needs to be re-modeled.

Because Hawaii does not accept out of state licenses, you will need to obtain a Hawaii General Building License, which you can do before you arrive. I will pay for all of your licensing fees.

I am pretty clear on how I want the home remodeled, and I will have Architect Renderings of the plans for you to work with.

Leave me your contact information and any ideas that you have, and I will get back with you!

Aloha!
