QR Code Link to This Post We have a house. A garage and basement. And a frontman that is insane and ready to rock and destroy small clubs and bars. We have two guitarists but we really need a drummer. More of a silly band/side project but would still like to be taken serious. Text me if you're ready to be Tropical Rages new drummer. Album releases next month. Want to play first gig by end of January... We aren't wasting any time here. Let me...
