How many times have you heard a family member or friend mention that they want a new cell phone service provider? Now imagine you can make money every time you hear someone saying that. Sprint is launching a new direct marketing campaign in the Cleveland area, this is the first of its kind and we want you to join us! We are looking for motivated sales agents, with or without experience, that can lead this new team of ours and hit the ground running with this new campaign.

We currently have both part-time and full-time positions available, very flexible hours.

OUR PART-TIME AGENTS MAKE A MINIMUM OF AROUND \$350 A DAY! This could be YOU!
