This main level home features an open layout in the living room, a private patio space, a spacious kitchen with lots of cabinet and counter space (perfect for entertaining guests!) as well as a fire place and not to mention an attached garage!

Our Mt. Hood floor plan has tons of storage space, including: a coat closet in the entryway, a huge walk in closet, storage above the (FULL SIZE) washer and dryer, a large pantry, and even a linen closet in the master bathroom! You won't even know what to do with all the storage. The thoughtfully designed layout is the perfect combination of function and style. Be sure to check out the floor plan (in the photos above) to see what I mean! You won't want to miss this one!

We are conveniently located at 12650 SW Main Street right in the heart of Downtown Tigard! You'll love being within walking distance to the local restaurants, post office, boutiques, and grocery stores. Main Street Village is the place to be in Tigard..
