QR Code Link to This Post I am referring donors this month and giving them \$20 on top of the \$150 the center gives. They give you \$75 on your first time day, \$75 the second day, while I give you \$20 on your second day too. To meet federal regulations the center simply needs you to show them on on your first appearance ID, proof of address (ie utility bill), and a social security card. On your very first donation also write down my name, Eric Richey, on the application, so that they know I am the one who referred you. You can give twice a week. Call, text, or email me so we can get acquainted and contact me again at least two or three hours before your second to give you and I enough time to make arrangements for me to meet you right after that visit. Thank you!

Sincerely,
Eric Richey
