QR Code Link to This Post I am a 15 year old high school student, And I love children! I feel as though I can be a great help around. Although I'm young and have little to no experience with children, I did babysit for family members when needed. I am a very exciting person, I love to hear a laugh and I love to play! I multitask easily and catch on quickly, I'm a dependable and flexible person. I can prepare snacks, meals, as well as clean, and help with bedtimes. I love to read all types of books and it's even better to get an excuse to read picture books! Overall I believe I could be a great sitter for!
