QR Code Link to This Post If you know what your vehicle needs and are sick of paying outrageous prices at shops give me a call. I come to you. Brakes making a noise? Need a tune up? Check engine light on? Get shop quality work for less then the shop prices!!

I have helped many people through Craigslist and have built great references. I charge fair and low labor rates that are far below average shop and dealer rates.

Send me your:

- 1. Location
- 2. Car trouble you are having
- 3. Car year, make and model

Give me a call or text. If I do not answer please leave a message. Many times I am working on a car and can not get to my phone right away.

Thank you for your time and.
