QR Code Link to This Post Giving away my breastmilk!!!! My little one doesn't take bottles just yet. With that being said I'm pumping a lot of extra milk from the dates starting in October until current dates and would hate for them to go to waste. Please email me if you want them. We don't exactly know how much milk there is, there's about 30+ Milk freezer bags from 2 oz to 3 oz. All we ask is for you to bring your own!
