QR Code Link to This Post I have a 1989 Fleetwood Bounder with the 460 Ford motor in it with 43,000 miles on it. Runs like new. It has the 19.5 Bridgestone tires on it with less than 200 miles on them. There 3,500 dollars worth of tires on it. This RV is the exact same as the one in the hit series ( Breaking Bad ) This RV has been completely customized. There is to much to list but some of the things are . Leather couch, Berber carpet, Hard wood floor bed room and bathroom. Tiles in kitchen. Polymer counter tops. Customized folding kitchen table to convert to bar style counter top with folding stools for space. Queen size bed. Motion sensor light in bath room. Solar power. 6500 watt generator. Two flat screen tv's. Entertainment center with x-box 360 and 30 games. Back up camera ,12 disc JVC cd player. Surround sound. Over 500 dollars in spare motor parts and plumbing parts. Serious inquiries only. Without all the customized things it sells for around 7,000 so no Jews please. I'm asking 6,000 or best offer. Must see to appreciate. I am open to any reasonable offer.
