I offer reliable computer repair from my home at \$40 flat rate for all PC tune ups and optimization services, including but not limited to...

Driver problems

Spyware, adware, malware, and virus removal

System cleanup and performance boost

Blue screens

Operating System Restoral and Upgrades

\$60 for all technical hardware issues such as...

Rebuilding a computer

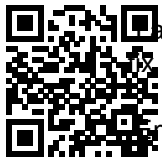

Hardware Installation, Repair, and Replacement

For onsite visits I charge a flat rate of 20 dollars an hour, minimum 45 for a visit (25 for the trip and 20 for the first hour) that covers all previously mentioned issues and more.

Connect a new device to your computer such as: printer/copier/scanner, digital camera, PDA/smart phone, speaker system

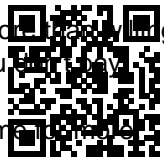

Set up a new DSL or cable internet service, including wireless networks

Setup and configure a media center where your PC is the center of your entertainment system

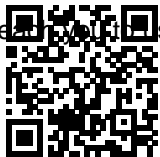

I am more than willing to take your business any day and I will leave your computer you have no better option than to call me. All new work is guaranteed.
