## AMENITIES:

Onsite laundry (\$1.75 per usage of washer/dryer) ;

GREAT location: walking distance to UW campus, close to multiple bus stops (44, 45, 70, 355), weekly U-District farmers market, great restaurants and theaters; and View of the Space Needle from balcony!

I am looking for a friendly, responsible, and respectful housemate to share an affordable 2 bedroom, 1 bathroom apartment in an amazing location. As for the bedroom, while it is on the smaller side, it's cozy and welcoming. The room does not have a closet, however, you will get the common area closet which is a decent size.

ME: I am in my mid-20s and I work in downtown Seattle. After work I usually go home, prepare dinner/lunch, and go to bed, such is the case for weekdays; however, on weekends I am a bit more spontaneous. Occasionally, I have people over.

YOU: I'd prefer to find a roommate close to my age and female, but if you I'm open to options if lifestyle is similar to mines. I'd like to find a roommate who I can be friendly with and enjoy talking to, but also give each other some space. Moreover, someone whose lifestyle meshes with mines.

If you are interested, please tell me a little about yourself via email or text. Also, I am more than happy to schedule a viewing.

Please email me link to your website instead of a brief description of yourself via email :)
