QR Code Link to This Post If you bought a security camera system for your home or place of business and need professional installation without the high hourly or monthly rate, contact me for a free quote and consultation.

My installation fee is a flat rate and one time payment. More affordable than paying a monthly fee and setup fee to the cable and internet companies for their setup.

Contact me so I can get you up and running right away and help you protect what matters most.

My installation package includes:

- *Security camera placement free consultation for best viewing option
- *DVR equipment complete setup and configurations settings
- *Camera mounting/camera viewing adjustment/camera wiring running and connections/clean wiring install
- *Assistance with setting up your free remote viewing setup which normally comes with the system you purchase (property can be monitor/watch when you leave)
