

# IMAC (2013 USD)

Location **Texas**  
<https://www.genclassifieds.com/x-756458-z>

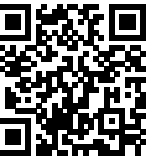

QR Code Link to This Post This thing is pretty much new. I opened it a three times ever. Once to take pictures for this ad.

I was going to use it for the showroom at our company but never set it up. Still have all the original packaging too.

iMac - Late 2013

2.7 GHz Intel Core i5  
 8 GB 1600 MHz DDR3  
 1TB Storage

\$500

|                                                                                                                                                                                                         |                                                                                                                                                                                                          |                                                                                                                                                                                                          |                                                                                                                                                                                                          |                                                                                                                                                                                                           |                                                                                                                                                                                                            |                                                                                                                                                                                                            |                                                                                                                                                                                                            |                                                                                                                                                                                                            |                                                                                                                                                                                                            |
