QR Code Link to This Post Enclosed cargo trailer. Never leaked. Barn doors in rear, one man door on front right side. All new LED lights. E-track on both side for load tie down. 24" diamond plate, I've added two types of insulation (one with denim and radiant barrier and the other a rigid foam), installed MaxxAir roof top fan/vent, coated the roof, kitchen counter framing for sink and 3 burner stove, v-nose shelving, 15 lb. propane tank and mount. The walls are plywood and the ceiling is.
