QR Code Link to This Post This is a 2003 S&S Duraline 4 horse gooseneck stock trailer (with one swing-out slant divider) and customized living quarters. The trailer is steel, 32 feet long, and has a custom double-door tack room with 4 wall mounted saddle racks, more than 20 tack hooks, as well as shelving and floor space.

The interior is heavily customized, with wood paneling walls and ceiling, including 1" of foam board insulation behind the panelling so the trailer stays cool in the summer and holds heat well in the cooler months). It has shelving and cabinet space for clothing and food storage, a small dining table as well as a propane stove / oven.
