QR Code Link to This Post This RV is three-tone tan, maroon and grey color and receives a lot of complements.

Nada Guide values it at 115,000. Anything that had problems has been fixed by the RV dealer.

Mileage: About 26,500 miles (less than 27k)

New front tires

Diesel pusher (340hp Cummins) - averages about 15 mpg while driving

Amazing Diesel Exhaust Brake

Diesel generator (powerful enough to run everything, including both roof-top heat pump / AC units)

Allison 6-speed push-button transmission

Air Brakes with primary and secondary air tanks, and lots of brake pad left (about an inch or so)

Air Ride Suspension

Automatic Hydraulic Leveling System

Comes with diamond warranty, bumper to bumper, good for another 3 years (I'm assuming it's transferrable - but it may not be)

Brand-new slide covers for all four slides

Brand-new main awning

Automatic retracting / extending entry step

House deadbolt lock on entry door along with original lock = extra security

LOTS of storage underneath

House water purifier built in

Furniture is all in great shape

Everything in this RV works, and it's in great on the inside and out.
