Kelty Redtail 27 Pack
1,650-cu.-in. capacity
Dual-purpose hydration/laptop sleeve is at home in both urban and remote settings
Easy-access panel-loading design with front and top pockets
Side compression straps keep your load from moving
HexMesh back panel, shoulder straps and hip belt
Durable 420-denier polyester construction

Boasting a dual-purpose hydration/laptop sleeve, Kelty's Redtail 27 Pack is ideal for both getting around town and taking day hikes up your favorite trails. Panel-loading design with front-pocket organization and a top stash pocket let you access gear quickly. Side compression straps secure your load, while a sternum strap and HDPE framesheet enhance both stability and weight distribution. HexMesh back panel, shoulder straps and hip belt increase airflow for cooling ventilation. 1,650-cu.-in. capacity provides enough room for a day's worth of essentials. Durable 420-denier polyester.
