QR Code Link to This Post I have a few Serving catering chafer trays for sale. They are all in good shape. No lids just the trays and holders. There is about six-ish of them. They haven't been used for a while so will require a cleaning before use. Great for anyone who needs to host a large party or is in the catering business.

If you are interested please let me know my name is Ken. You may reach me via text, call or.
