QR Code Link to This Post Currently looking for an experienced Alarm technician that will perform work in the Richmond and Hampton Road areas.

- Must:
- Reliable, prompt and organized.
 - reliable vehicle.
 - Communication skills.
 - Performs quality installations.
 - Pass a background check (Licensed)

We are the third biggest Guardian Protection Dealer in the country.
 We do same day installations and most of the jobs are from 1-8 PM.
 We use Interlogix and 2gig equipment, and at times take over existing Honeywell systems.
 Techs average 40-50 installations per month.

We are seeking to maintain a long term relationship with the right motivated technician.
