---

To you, the working parents, every dollar is important, and no child care program delivers better value than Home Away from Home Childcare, I have very high standards of care, safety, and education -- plus a whole lot of fun at a far more affordable price. I can help your child get ahead in life while helping your budget too.

My name is Ms. Tamaka and I would like to be your little ones Child Care Provider. I have had my In-Home Childcare since 2012, but before running my Childcare I worked in the Healthcare for Fifteen years, caring for adults, young adults, teenagers, toddlers as well as infants.

I am Affordable as well as fare, if you are looking for a Family Basic Childcare then please give me a call. Ages: 6 weeks to 5 years old, I also care for school age kids during school breaks. "Home Away from Home Childcare" will provide age appropriate curriculum, indoor activities, that include music, educational learning (ABC, learning to count 123, colors, shapes, learning the different planet, etc.), daily bible teaching to enrich their learning experiences by stimulating their desire to learn. I strive to provide a clean, safe, and educational environment for young children and their families. If this is what you're looking for and you feel this will be a perfect fit, please call and set up and appointment for your Meet & Greet. Hope to Hear for you soon!

"The Childcare Provider"

Although I'm not their mother,  
I care for them each day  
I cuddle, sing, and read to them,  
And watch them as they play.  
I see each new accomplishment,  
and help them grow and learn.  
I understand their language, and  
I listen with concern.  
They come to me for comfort,  
And I kiss away their tears.  
They proudly show their work to me,  
I give the loudest cheer!  
No, I am not their mother,  
But my role is just as strong.  
I nurture them and keep them safe,  
though maybe not for long.  
I know someday the time may come  
When we will have to part.  
But I know each child I've care for  
Is forever in my
