First of all, all you people that make demands- "...send us all your stuff to see if you are a good fit... can't/won't pay for your recording or your time ..." and so on-- are a bunch of losers that prey upon people who are desperate to "make it" and are willing to sell their soul to do so. OK, their bad. Secondly, WHY do "we" allow this to happen??? I'm not saying people should be paid some ridiculous amount of money but show some respect and offer something--anything!!! I was young once too and wanted recognition but you have to draw the line somewhere. Hold onto your dignity and self-worth. Thank you everyone for your.
