QR Code Link to This Post Looking for a personal Assistant

Must have car ins and computer or smart phone.

This job will start out at \$11.00 an hour at 12-20 hours a week

I own my own buisness and im looking for someone who dosent mind doing house work cleaning. Running errands picking kids up from school and helping me with my schedule and other clerical duties.

This will start today if i find the right person.

The right person will be young and very open minded this has the potential to grow but right now would be a great opportunity to make extra money for a
