Jennifer

Please NOTE:

If you SERIOUSLY need childcare please text me or call me. If you can't afford at least \$150 a week for 1 kid(discounts on siblings) don't bother contacting me. If you can't pay every week when you drop off, move on. This is how I provide for my family. Unless the care is for an infant, I provide all the meals and I don't allow outside food unless its a special day. If you can't drop off or pick up based on your contracted schedule, move.
