QR Code Link to This Post I am looking for an accommodation.

One Private room + One private bathroom.

I can pay upto max \$600 with all utilities included(internet, electricity, water, heater). (Please include mattress too)

Room should have heater too as its winters now.

I will be moving to Wilmington DE for my work (accommodation should be close to 880 powder mill road wilmington de 19803) in couple of weeks.

House should be clean, no pets, only females preferable(I am 32, Asian, Female). But since my room and bathroom will be private, I can overlook these.

If you are looking to rent your space/place, please contact me. I need it immediately.

Only Genuine and serious people who are willing to rent room, Contact me. Please respond me with your phone number. I have been getting too many fake messages asking about security deposit and my too much information and no details about room provided when i asked them. Currently i am in Dallas Texas. I will only pay rent and security deposit(if any) once i come down to Wilmington.
