 Unit 202  
 New Britain CT

This large 2BR 1BA unit is located in a completely renovated mixed use building in downtown New Britain. The build out is incredible and was acknowledged by the city of New Britain as a major attribute to the revitalization of the downtown New Britain market. The first floor is commercial with an insurance company and other office space with the second and third floor being residential. The photos really speak for themselves in this building but the units are actually larger than they look in the pictures. To set up a showing at this lovely property, please don't hesitate to call Eric at .
