QR Code Link to This Post Hi,

I'm seeking a hiking partner for short hikes, mostly on weekends but possibly on weekdays. Looking for a good quality woman to come along and keep me company. I am a well educated, well traveled SWM, work too hard but do some weekend hiking, and I'm. You should be a nice overall person, have a good sense of humor, like to talk about interesting things, and like simple hikes

50 / hour, hike for about 2 - 3 hrs

If you are interested, send me a note and introduce
