QR Code Link to This Post Join us for a political stunt to raise awareness about climate change.

You'd need to be comfortable removing your pants (not underwear) in public, as part of a "flash mob."

EVERYONE is welcome. We want a diverse group of people involved and participating.

Please send the following to JimAce at Stand dot earth:

Your name, phone, email  
A head shot  
A body shot  
A short explanation of why you're interested in participating in a flash mob political stunt.

NOTE: If you're not comfortable participating in a political protest, this gig is not for you.

Thank!
