QR Code Link to This Post I am looking to expand more into Nude, Topless and implied shoots. The ideas I would like to try are the following:

1. Sexy Disney Princess
2. Old School looking Playboy themed shoot
3. Nude/Topless but face covered by a mask
4. Dancing and stripping
5. Edgy b/w
6. Def would love to shoot somebody with tats and piercings.

If interested let me know and we can plan out the shoot specific for you. Please include pictures and availability.

*I will compensate you with copies of all pictures taken and let you choose your favorite 10-15 for me to edit for you.
I will also be willing to help you out if you need help building your portfolio or a shoot of your.
