QR Code Link to This Post PLEASE HELP!!!!!!MAMA CAT and 2 KITTENS RESCUED FROM UNDER FREEWAY BRIDGE, mom is about 2 years old, she is spayed and has her shots, both kittens, 9 weeks old, females are spay & have shots also, I have medical records, I have been taking care of them, and rescued, I am going into UCLA for medical tests on Wednesday, need to turn them over to a rescue group to place them into proper homes. The mom is very friendly, baby are a little skiddish, but I have been working with them. Once they are separated from mom< they should become less shy.
Please
