I am not a hobbyist...I am a full-time, full-service headshot photographer. I work out of a beautiful, natural light studio located in DTLA. This allows me to give you all the benefits of the outdoor feel but with the consistent results only a civilized studio can afford.

You can contact me and view a sample of my work here: JEAN-CLAUDE | HEADSHOTS

Seasoned professionals, photo session rookies...Everyone gets the same, warm treatment and photography that represents the true!
